Banana Bay Resort is located on ten acres, but only has 61 deluxe guestrooms. The property offers all the amenities of a grand style resort, but is more like a tropical inn that is quiet, intimate and romantic! Facilities include deluxe guestrooms with either one king or two double beds, poolside Tiki bar with Lite Faire, huge heated freshwater pool, outdoor whirlpool, two garden tennis courts, BBQ grills, 2 horse shoe pits, conference rooms, Garden and Bayside Wedding Gazebo, boat launching ramp, small private sandy sunning beach & snorkel area, complete water sport activities (boat rentals, charter fishing and various water craft rentals. We also recommend several great dive shops and sail cruises in the area)... all this & more making this the ultimate Keys escape!
